Yes, EPA has been requested to hold a meeting in Seattle. This meeting has been tentatively scheduled for the afternoon of May 31st. This is still tentative, and we will send a listserv notice as soon as the plans are finalized.

Thanks! Tami

Subject: Seattle meeting?

Tami,

I understand there may be a Seattle Watershed Assessment public meeting. If that's the case, can you send me details once they are available? We have a number of shareholders and Bristol Bay Tribal members in the area who may want to attend. I may come down for that meeting as well if it fits my schedule. Thank you.
